Commissioner for Patents
P.O. Box 1450

Dear Sir:

Pursuant to 37 C.F.R. Section 1.97 - 1.99, the Applicant wishes to make the following references of record in the above-identified application. This Information Disclosure Statement is in compliance with the continuing duty of candor as set forth in 37 C.F.R. Section 1.56. The examiner is requested to review and to make of record the documents listed on the accompanying form SB/08B, copies of which are enclosed.

In the judgment of the undersigned, portions of the listed references may be material to the Examiner's consideration of the presently pending claims. However, the references have not been reviewed in sufficient detail to make any other representation and, in particular, no representation is intended as to the relative relevance between references, whether cited in this or prior statements. This statement is not a representation that the listed references have effective dates early enough to be "prior art" within the meaning of 35 U.S.C. Section 102 or Section 103.

The documents cited in this Supplemental Information Disclosure Statement are documents raised by the examiner in applicants' parent U.S. national stage application serial No. 10/624,883, now U.S. patent No. 7,130,878, issued October 31, 2006, and documents, if any, in addition to the foregoing, cited during the examination of the related divisional application Serial No. 11/498,500, filed August 2, 2006 of common parentage with this divisional application.
